Chief, CIA Archives and Records Center TO

THE Executive Assistant to the DD/S

CIA Records Administration Officer FROM:

- 1. In my memorandum of 8 October 1963 to the DD/S, I outlined eartain actions we must take in order to prolong availablelity of storage space in the Becords Conter. Effective immediately, the following policies will be adopted in Records Center operations:
 - a. Only scheduled records with definite disposition improvetions will be accessioned. This means that prhedule instructions must provide for transfer to the Center, and, in the case of temperary records, the schedule must provide for definite disposition.
 - b. Becards scheduled for destruction in the Center will be destroyed at the scheduled time without additional notification to the concerned organization.
 - s. Records scheduled for review at a specified date will be returned to the office concerned without additional mobification.

Becards Administration Officer
